R17-1-319. Motor vehicle fuel tax - military sales to personnel

- **A.** Section 10 of the amendment to the Federal Aid Highway Act, approved June 16, 1936, provides:
 - "1. That all taxes levied by any state, territory, or the District of Columbia upon sales of gasoline and other motor vehicle fuels may be levied, in the same manner and to the same extent, upon such fuels when sold by or through post exchanges, ship stores, ship service stores, commissaries, filling stations, licensed traders, and other similar agencies, located on United States military or other reservations, when such fuels are not for the exclusive use of the United States. Such taxes, so levied, shall be paid to the proper taxing authorities of the state, territory, or the District of Columbia, within whose borders the reservation affected may be located.
 - "2. The officer in charge of such reservation shall, on or before the fifteenth day of each month, submit a written statement to the proper taxing authorities of the state, territory, or the District of Columbia within whose borders the reservation is located, showing the amount of such motor fuel not sold for the exclusive use of the United States during the preceding month."
- B. The Attorney General of Arizona has interpreted the term "exclusive use" to mean that the fuel must be used wholly by the United States by duly constituted agents or officers engaged, while using such gasoline, wholly in the service of the government. In other words, if the fuel is used on a mission partly for the government and partly for some personal purpose of the user, it is not in the exclusive use of the government.

- ment and is, therefore, taxable. The mere fact that the gasoline is sold or distributed by an agency located on the reservation does not exempt such gasoline from taxation. An officer of the government buying gasoline for his own personal use -- or partly for his own personal use -- pays the same tax as does the individual citizen.
- C. All persons who purchase gasoline for use in motor vehicles on the highways of this state from any federal government storage located in the state of Arizona which gasoline is not for the exclusive use of the United States Government shall pay to the Officer in Charge of such storage, the Arizona five-centper-gallon license tax on each gallon so purchased.
- D. Under provisions of Section 10 above, the Officer in Charge of such storage will on or before the 15th day of the month next succeeding the month in which such fuel was purchased, submit a written statement through proper channels to the Motor Vehicle Division, Arizona Department of Transportation, Phoenix, Arizona, showing the amount of such motor vehicle fuel so sold and such report shall be accompanied by a remittance of five cent per gallon to cover the Arizona license tax on such fuel.

R17-1-333. Unmanned self-serve use fuel vending entity; records; tax collection; invoicing

A. Definitions:

- "Account" means the authorization and the means to access the pumping facilities of an Unmanned Self-Serve Use Fuel Vending Entity (USSUFVE) to acquire use fuel for which the USSUFVE issues a periodic statement containing at least the purchaser's name, mailing address, date of each use fuel acquisition and the number of gallons of use fuel acquired.
- 2. "Tax-exempt use account" means an account created and maintained solely for the purpose of acquiring use fuel that will be consumed in a manner that is exempt from the tax imposed under the provision of A.R.S. Title 28, Chapter 9, Article 2.
- 3. "Unmanned self-serve use fuel vending entity" means a licensed Arizona fuel vending entity, commonly referred to as cardlock or keylock operations, where only preapproved purchasers of use fuel have been issued cards or keys to identify the exclusive withdrawal of that particular purchaser and where no representative of the licensed vendor is on the premises to observe the withdrawal of use fuel from the vendor's storage and where volumes dispensed are measured by pump meters or by some other accurate recording device.
- **B.** A vendor operating an unmanned self-serve use fuel vending entity must determine which self-serve purchasers are the holders of valid Arizona use fuel tax accounts, must record those tax license numbers for invoicing purposes and must maintain for audit purposes complete records on every purchaser having access to the vendor's use fuel storage.
- C. A vendor operating an unmanned self-serve use fuel vending entity shall collect the Arizona use fuel tax on all sales of use fuel through that vending entity, unless the purchaser has established a tax-exempt use account in accordance with the provisions of subsection (E) of this rule.
- **D.** A vendor operating an unmanned, self-serve, use fuel vending entity must comply with R17-1-330, R17-1-331, R17-1-332, and R17-1-334 provided, however, that in lieu of the language contained in section "A" of the "Arizona Use Fuel Information Block" referred to in R17-1-330(B)(5), either the word "cardlock," or the word "keylock," depending on the type of operation, will be preprinted therein.
- E. A person who qualifies to purchase use fuel without the payment of tax to the vendor in accordance with the provisions of A.R.S. § 28-1555(C) may establish a tax-exempt use account with an unmanned self-serve use fuel vending entity. Use fuel acquired through the tax-exempt use account shall not be delivered into the fuel tank of a motor vehicle. If a person having a tax-exempt use account wants to purchase use fuel from the same unmanned self-serve use fuel vending entity for purposes which are not tax exempt, the person shall establish a separate account with the unmanned self-serve use fuel vending entity. The tax-exempt use account shall require the use of different cards, keys, or other means to access the pumps than the taxable use account. To establish the tax-exempt use account, the purchaser shall provide the unmanned self-serve use fuel vending entity with an affidavit containing the following information:
 - 1. Legal name of purchaser.
 - 2. Mailing address of purchaser.
 - 3. Address of the place of business of the purchaser.
 - 4. Telephone number of the purchaser.
 - 5. A statement containing the following:

- a. Each utilization of this account to acquire use fuel shall constitute certification that none of the use fuel acquired through the utilization of this account will be employed to propel a motor vehicle on the highways in this state.
- **F.** The unmanned, self-serve, use fuel vending entity shall maintain the original affidavit for a period of at least three years after the last transaction on the account.
